TO WHOM IT MAY CONCERN?

This letter is to inform the Michigan Supreme Court that the Michigan and the United States Constitution makes clear that Judges are Not to make the Laws but rather Interpret the laws.

Why is the Michigan Supreme Court even considering taking steps that would effectively change the law by denying Michigan Asbestos Disease Victims their right to fair Jury trial.

I retired from a Power Plant and suffer from Asbestoses i feel that the law should be left alone.

Thank you,  
RICHARD KASBARIAN

P.S. This refers to proposed Court Rule # 2003-47
